Dine FREE at James Street South Restaurant

With its city centre location in close proximity to the Crown bar, the Grand Opera House and Belfast's business community, James Street South Restaurant is an ideal spot for both business and pleasure lunch and dinner.

The restaurant showcases the best of Northern Ireland's produce via a set lunch menu which changes weekly and an a la carte menu which is updated on a monthly basis. These seasonal menus are accompanied by an extensive wine list of over 100 bins including a selection served by the glass and carafe.

While the restaurant's style of service is professional and

friendly, the stylish and modern interior features crisp linen, contemporary Irish Art and large arched windows. It is a fabulous location for private events and has hosted business breakfast meetings, product launches and also formal retirement and fundraising events.

Since opening its doors James Street South Restaurant has won a clutch of awards from Best Restaurant in Belfast in 2006, 2007 and 2009 and is currently listed as number 66 in the National UK Restaurant awards. The restaurant has recently launched a new website which enables online reservation and the purchase of gift vouchers.
